Logging into the Firefly Parent Portal for the first time: Access to the Parental Portal is via the Foundation website: <u>https://wgsf.org.uk/wghs/</u>

Select Firefly Portal at the top right corner of the main WGHS website.

Select the school you wish to see information from.

You will be able to see information from all schools from the same login if you have more than one child in the Foundation, and you will only have to register once.

To use this service you will need to know which email address is registered with the Foundation. If you already receive SchoolComms information to it, then it should be this email address you should use. If you have not registered an email or are unsure, then please contact the office to update. (You would have to wait 1 full working day from updating us before the portal would be ready for you to activate.)

- 2. Select Parent Portal.
- 3. Select Logging in for the first time? Activate your account.
- 4. Enter the personal email address the school already holds on record for you, then select

Activate account. An email is sent to this email address if already registered with us (this would have been on the last data check sheet.)

- 6. Open the email and select Activate account.
- 7. Enter the password of your choice, then confirm it.
