## **Mouthguard Options**

There are three options available to you when purchasing a mouthguard:

1. The least expensive is to buy a 'boil and bite' mouthguard from a sports shop or online.
2. The second option is to have a mouthguard made by your child's own dentist.
3. The third option is one that we are offering to all pupils using the specialist mouthguard company Titan.

Titan Mouthguards will be catering for all students wishing to purchase a custom, dental-fit mouthguard via their E-fitting service. If you wish to take advantage of this service, please complete your online order form in advance of your child's E-fitting **here**.

## **PE Footwear**

Plain white or black sports trainers are required, not fashion trainers.

White sports socks, NOT trainer socks (required all year).
