

TITAN

MOUTHGUARDS

REMOTE E-FITTING SERVICE

Take your impression at home with the E-fitting kit, check the impression with our online impression check form and return the impression to titan hq using the freepost bag provided. Once we receive it, you will receive your brand new mouthguard within ten working days. Easy!

[CLICK HERE TO ORDER](#)

Video call fittings with a member of the titan team also available

01

Quality protection

The highest quality of protection at a hugely reduced cost from local dental practices - from £49.99 for including free delivery.

02

Year-Round Support

Comprehensive aftercare service with reduced price replacements and support year-round.

03

Within 10 Working Days

All impressions returned to Titan HQ before August 12th are subject to a 10 working day turnaround. Impressions returned after this date are subject to a 15 working day turnaround time.

04

Know It's Yours
